

1st/2nd Team Match versus Surrey

Castle Royle

3 May 2016

Once again, a cold and blustery day for our first joint match this year. Summer is coming though.

Surrey always have a strong team and this year they brought their up and coming youngster (Just turned 13!) who had just finished runner up in their County Championships!

Experience overcame though and Katherine Irving, just getting over injury, had a good win against her. A win also from Tracy Crew (we can always rely on our not so youngsters!) but sadly losses from the rest of the team.

All games were played in great spirit and we look forward to visiting Surrey next year to do battle.

It was all worth it just to enjoy the tea and freshly baked scones provided by Castle Royle, thanks again to them for hosting and looking after the teams.

Well done to the team of:

Tracy Crew

Fiona Horrocks

Donna Hunt

Katherine Irving

Jane Sly

Jules Tarr
