

BGG Fun Competitions 2018

So far this year, of three Fun Competitions scheduled, the first one, which was to have been played at Billingbear, had to be cancelled owing to the course being waterlogged and a poor forecast. In contrast, the competition at Lambrook School was held on a beautiful summer's day although officially it was still Spring! There were some good scores but of particular note was Chloe Walkington's who was the winner of the improvers group. She came in with 29

Stableford points over 9 holes playing off a handicap of 45! Not surprisingly, her handicap has now dropped to 35. Congratulations, Chloe! The winner of the beginners group at Lambrook was Amy Nemeth-Yuile who scored 21 points. Well done, Amy!

The third Fun Competition of the year was held at Eton College Golf Course. It is a testing course for the girls in that there are some wide streams to negotiate and some tight approaches to greens. However, I was impressed with how the girls coped. The winners were Kizzy McCulloch in the improvers group who scored 19 points and Nellie Pope in the beginners group who pipped Amy Nemeth-Yuile and Emily Broomfield to the post with 21 points. Congratulations to the winners and runners-up.

The next Fun Competition to be held is to be played at Sonning on Sunday, 1st July. This is a great opportunity for the girls to play on this course so do get your [entry forms](#) in soon.
