

## 1<sup>st</sup> Division Spring Meeting 2018

**The Berkshire Ladies County Golf** season started on Thursday 22<sup>nd</sup> March at Castle Royle Golf with 50 Ladies competing in the 1<sup>st</sup> Division Spring Meeting.

After the shocking weather that we have had in previous days, it was a welcome sight to have the sun-shining at the start of the competition but later in the morning the wind got up and made conditions in the back nine more challenging, which was very noticeable in the scores that were posted. But the course fared well and the ladies were well looked after the match with a hot jacket potato with a variety of fillings

Our thanks to Castle Royle for hosting the event and to the Castle Royle Ladies, who supported the event with various duties.
