

2018 Tegner Trophy & Championship Report

Due to the exceptional heavy rainfall and despite the best efforts of East Berkshire Golf Club, the Tegner Trophy 36 hole medal did not go ahead. However, the rain eased off and with a huge amount of extra work carried out by the greenkeepers on both days, the Championship did go ahead on Saturday and Sunday.

Sixteen ladies played knock-out matchplay in the morning reducing to eight in the afternoon. The four semi-finalists were Laura Webb v Linda Hunt and Sheree Dove-Wilde v Katherine Irving. Both matches were exciting but Laura Webb and Sheree Dove-Wilde progressed to the final. This match went to the 18th where Sheree Dove-Wilde won 1up. Congratulations Sheree.

Over 2 days, spectators were entertained to a very high standard of golf. Putting throughout was of an exceptional quality.

Thank you to East Berkshire Golf Club for hosting the event and making us very welcome.
