

## 2nd Team League Match v. Buckinghamshire

The 2<sup>nd</sup> Team played their league match against Buckinghamshire on a 'niceish' day at The Berkshire, who we thank very much for the use of their course and for looking after us well.

The morning foursomes, on the Blue Course, saw Zoe Collins (Castle Royle) paired with Jane Brackenbury (West Berks) have a very good win against the Buckinghamshire pair, who struggled a little off the tee – not a good thing at The Berkshire. They were followed out by the Castle Royle pairing of Sally Collier and Yvonne Craven. They were doing well until I started watching, when the Bucks pair suddenly decided to hole a few puts. I went away, but the damage had been done and we unfortunately lost that match. Our last pairing, Angela Kokaram and Paula Morris, both of Royal Ascot had a very tight encounter with the Buckinghamshire Captain, Janette Psyllides and her partner Pam King (once of East Berks but now at Gerrard's Cross). The match went to the 18<sup>th</sup>, which we won to win 1 up. So it was 2-1 to us at lunch.

Unfortunately, the afternoon singles on the Red Course, did not go as well. Yvonne won her match and Zoe and Jane halved theirs, but the others lost, meaning that Buckinghamshire won the tie 5-4. I would like to thank the team for playing and the County Captain and President for turning out to support.
