

Alresford Cup 24th September 2017

Mia Hynes, Felicity Deaney, Freya Burns, Vicky Prietzel, Lucy West and Bella Kent

This annual event always attracts a wide range of county teams from all across the South of England. This year was no exception on a dry sunny and warm day, eight counties started play in groups of three at 10.30am. It is a well organised competition with markers accompanying all the groups during the six hours + it takes the 48 players to complete the course.

Surrey were convincing winners with a 15 point lead over second placed Kent.

Alresford GC and their members are to be congratulated for their continuing support for this event which is now in its eleventh year, in conjunction with Hampshire Ladies County Golf Association who run the event so efficiently.
