

BB&O Girls Championships at Badgemore Park GC 11th April 2017

Twenty seven players in total took part in this year's Championships hosted by Oxfordshire.

Berkshire were represented by six players and at the end of the afternoon we had seriously punched above our weight by taking five out of the ten prizes on offer. Vicky was the winner of the Stableford competition with a 44 points score and Bella took the 3rd prize in her first ever competition. Both players receive points towards their playing colours.*

Vicky Prietzel, Mia Hynes, Fliss Deaney, Team Shield, Julia Warke, Holly Kent

Yet again we showed our strength in the team event, winning the trophy for the second year running. We now hold two of the three team events for 2017 - a big target will be to complete the trio by targeting the Alresford Cup in September.

Congratulations to the players who took part.

** check out the website for details on events linked to points for junior colours and junior playing colours*
