

BERKSHIRE SENIORS TRIUMPH AGAIN!

The Berkshire Seniors Team of Airlie Dyson, Jane Sly, Laura Webb, Sheree Dove-wilde, Tracy Crew, Katherine Irving and Captain Linda Hunt, have succeeded in retaining the Inter Counties League Title for 2017.

Coming down to the last game of the season at Royal Winchester, the Berkshire Team had to defeat Hampshire to win the League.

After a very tight start the match was all square after the first 3 games but with 3 wins and 1 half to follow, they clinched the title easily.

This is the fourth year on the trot, the Berkshire side have won the League and highlights the strength we have in our Senior's section.

Other members of the squad who helped along the way were, Margaret Berriman, Gabi Heuchel and Pat Bennett.

Our Berkshire squad is very honoured to have Laura Webb playing for us. Laura has just been selected to represent Ireland in the European Team Championship in Slovakia from the 5th -9th September. Also Laura will be defending her Seniors British Title in Belfast from the 19th - 21st September.

We wish her every success and the best of luck.
