

BERKSHIRE LADY CAPTAINS' GOLFING SOCIETY

BLCGS match report v Berkshire Vets, Monday 15 July 2019

Unlike the weather of the previous few days, Monday the 15th dawned rather grey and cool – so much so I put both my slipover and long-sleeved jumper in my golf bag! I needn't have worried. By the time we were teeing off the sun had come out and it was the perfect summer's day. Bright blue sky ✓; fluffy white clouds ✓; a gentle cooling breeze ✓. The vistas from the course were wonderful. It is interesting to note how the fields have changed since our first match. The barley is now golden, what had been ploughed earth at the top of the field I use as my aiming point on the 17th is now bright green. Sadly no display of poppies to be seen anywhere.

The course was in perfect condition. The Club Championship had been held over the weekend so fairways were perfectly mown and the greens had been cut and ironed. Surprisingly most of the pin positions were quite friendly. (I didn't know we had so many white flags!)

Thanks must go to the catering staff who produced the perfect summer dinner: salmon, new potatoes and seasonal green vegetables followed by strawberries and cream. What is not to like?

It was strange making out the cards for the match. I wasn't sure if the Past Captains were taking on G&S – or perhaps a second Past Captains' team; there were many familiar faces on both sides. And to complete the perfection the match ended in a well-deserved draw: 3½:3½.

The team for the day was Margaret Berriman, Rosalie Tucker, Pam Bishop, Anne Le Marinel, Kim Richardson, Mary Lush, Pauline Sleet, Sylvia Woolford, Katherine Hartwell, Judy Jones, Marilyn Pembroke, Sheila Evans, Linda Pitt and Rita Ellis.
