

The weather forecast for the game on 30th April looked dire - torrential rain and winds of 40mph. In the end it was fairly windy but dry. A contrast to our first league match, and a difference of 20 degrees in temperature.

Berkshire hosted Hampshire at The Berkshire Golf Club. We thank The Berkshire for presenting the course in excellent condition, especially given the recent weather conditions. The team comprised Sheree Dove-Wilde, Linda Hunt, Tracy Crew, Margaret Berriman, Pat Bennett, Jane Sly, and Katherine Irving. We managed a draw against Hampshire, so 2 games down and 2 more to go. All to play for.

Thanks to Elspeth Copper, BCLGA President, for coming to support the team.
