

LAUNCH OF NEW GET INTO GOLF WEBSITE

Last week we launched our new website. Our [Get into Golf](#) initiative is designed to inspire people to give it a go, increase participation and help clubs to attract new players.

Lots of clubs have already got involved and uploaded sessions onto the new [website](#)!

Any club or golf facility can be involved with Get into Golf for free. Your club will have received an email with login details to set up an online account. This was sent to the email address associated with your facility on the England Golf central system. If you would like this to be sent to an alternative email address please contact info@getintogolf.org.
