

Midland South Junior Team Event

A junior team event was held at Bicester Golf and Country Club for the Midland South region of Bucks, Berks, Oxon, Northamptonshire, Hereford and Worcester and Warks. Each county had a team of six players with stipulated handicap bands weighted in favour of the higher handicap players. Berkshire fielded a team with Julia Warke, Freya Burns, Felicity Deaney, Annie Grillo, Vicky Priezel and Ella Bailey representing the four handicap bands of 0-9, 10-18, 19-28 and 29-36. It was a great event for the players and the club played their part making this a very special day for everyone taking part. The winning team were from Hereford and Worcestershire with a terrific total score of 150 points taken from the best four out of six scores, pipping Bucks on 141. Berkshire were in third place and it is hoped the event will run again next year at the same venue. Organisation of the event will rotate between the six counties and as Berkshire organised this year we have a five year rest!
