2. Amateur Status

All players must be of Amateur Status as defined by The Rules of Amateur Status.

3. Entry: Method and Fees

All entries must be completed and received by the BCLGA competition secretary on the date entries close. They must be accompanied by payment either by cheque (payable to 'BCLGA') or, preferably, by bank transfer (details on the entry form). Entries without payment will not be accepted.

Late entries may be accepted at the discretion of the organisers.

Should an event be over-subscribed, then entries will be accepted on a first-come-first-served basis, except for the Championship and Seniors' Championship when entrants with the lowest handicaps on the closing date will be accepted.

No entry fee will be refunded unless written/email notice of withdrawal is received before the closing date for entries, except to any entrant who may be balloted out and who does not subsequently compete.

4. Entry: Handicaps

All players who enter a BCLGA event must hold a CONGU 'c' handicap. See individual competitions for the handicap limits that apply.

Players should enter competitions on current handicaps and give their CDH Number.

However, if on the day of play a player's handicap is:

- a) Below the handicap limit – she may play off her actual handicap, but will not be eligible for the trophy or a **scratch** prize. Note: in this instance she will be eligible for a handicap prize.
- b) Above the handicap limit – she may play off her actual handicap. (The exceptions are the Inter-Club Shield and Duncan Trophy where maximum handicaps apply.)

5. Qualifying competitions

All individual medal and stableford competitions will be played off **full** handicap and will be qualifying for handicap.

6. Withdrawals

If a player withdraws from an event before the closing date, her entry fee will be refunded. She will forfeit her entry fee if she withdraws after the closing date for entries.

7. Reserves

For all events where the entry list is full, a reserve list will be maintained. Should a place or places become available, reserves will be invited to play in the order they are listed on the reserve list, apart from the Tegner Trophy and Seniors' Championship where they will be called in handicap order.

8. General Conduct

From Registration through to the close of competition or match, players must conduct themselves accordingly to the provisions and 'spirit' of the Etiquette section of the Rules of Golf and must not act in a manner which might bring the game into disrepute.

Note:

- a) Trolleys must not be taken onto tees or between a greenside bunker and the green and/or onto fringes of greens.
- b) It would be appreciated if the making and receiving of calls is done outside of the clubhouse.
- c) Making/sending or receiving calls or texts: mobile phones (and similar devices) may not be used on the course (including on practice days) for such purpose, except in cases of emergency.

If a serious breach of the above Regulations occurs, or where there are repetitive breaches, a player may be disqualified under Rule 1.2b for a serious breach of etiquette.

9. Caddies

There are no restrictions on the use of caddies, except in Junior events (please see BGG for details).

- a) It is courteous to let one's playing partner know if one intends to use a caddie.

12. Pace of Play

BCLGA adopts England Golf's policy on pace of play. When there are referees on the course, they will ensure that there is a prompt pace of play. Players must keep up with the group ahead or they will be considered to have lost their place on the course and be 'out of time'. The recommended timing for the first player to take a shot, e.g. tee shot, is 40 secs and for each subsequent player 30 secs.

13. Returning Score Card

A player's score card is deemed officially returned to BCLGA when she has left the recording office/area.

Note: Players must promptly return their score cards to the event organiser.

14. Result of a Match and when Competition Closed

- b) Stroke play: The results of the competition are deemed officially announced and the competition is closed when the Trophy is presented to the winner.

15. Decision of Ties

- a) In a two-round event, ties shall be decided on the 2nd round and then the 1st round.
- b) Should that fail to produce a result, ties shall be decided on the last 9, 6, 3 or 1 holes of the last completed round. If a tie still arises it shall be decided on the last 9, 6, 3 or 1 holes of the first nine holes of the last completed round. If a tie still arises, each of the preceding rounds played shall be treated in the same way (taking each round in the reverse order to that in which they were played) until a decision is reached.
- c) In the case of a one round event, ties shall be decided on the last 9, 6, 3 or 1 holes of the round. If a tie still arises it shall be decided on the last 9, 6, 3 or 1 holes of the first nine holes of the round. If a tie still remains, the prize will be shared.

Note: In b) and c) above these are the last 9 holes etc as they appear on the card of the course.

16. Inclement Weather

If, in the opinion of the event organiser, it becomes impossible to complete a competition in accordance with that competition's Terms because of adverse weather, or other

circumstances, BCLGA may vary the Terms to the extent necessary to achieve a result within the time available.

17. Trophies and Prizes

- a) A winning player will be responsible for a trophy from the time it is presented until it is relinquished and she shall ensure it is returned to BCLGA before the next year's event or the AGM (depending when the trophy is presented).
- b) Unless otherwise stated in the Competition Terms, a player may win more than one trophy but not more than one prize.
- c) Scratch prizes will take precedence over handicap prizes.

18. Transportation

Generally, buggies are allowed in all BCLGA events except for the Tegner Trophy, the Championship, the Seniors' Championship and those run solely for Juniors. Players must organise their own buggies.

If a player considers she needs to use a buggy in the Tegner Trophy, Championship or Seniors' Championship because she meets the criteria of 'disabled' under the 2010 Equality Act, she may request a medical exemption form from the competition organiser which must be completed and returned not less than one week before the competition date. Those who are registered disabled may use a buggy at any time.

19. Health and Safety

In the event of thunder and lightning, BCLGA will signal a suspension of play for a dangerous situation with one long note of the klaxons. This is the signal for everyone to evacuate the course. People on the course are responsible for their own actions in such a dangerous situation.

20. Liability

Neither the hosting club nor BCLGA can be held responsible for the loss of or damage to, equipment or personal possessions.

21. BCLGA Policies, Procedures, Codes, etc

22. Photography Consent

By entering a BCLGA event, all players are consenting to being filmed or recorded (images and sound) by or on behalf of BCLGA, or another authorised third party, and consent to these images (or likenesses) being used in any film, recording, photograph or other footage ('recording') in the promotion of BCLGA activities. All rights in the recording shall be owned by BCLGA or the authorised third party. Players agree that any recording may be used by BCLGA or an authorised third party in any media and for any purpose throughout the world, including, without limitation, for promotional materials and activities, merchandise, or other commercial activities. Players acknowledge that no payment or compensation for use of

their image or likeness shall be payable to them. If competitors do not wish to be photographed, they must inform the competition organiser.

Please contact the BCLGA Executive at compsec2@bclga.co.uk if you have any queries regarding this General Term.

23. Ready Golf

'Ready Golf' is a commonly used term which indicates that players should play when they are ready to do so (Rule 6.4b (2)).

In stroke play competitions, to avoid slow play, BCLGA actively encourages players to play when they are ready, provided it is safe to play.

Examples of playing out of turn, without endangering other players on the golf course, whilst also being aware of player etiquette, include:

- Hitting a shot when safe to do so if a player farther away faces a challenging shot and is taking time to assess their options
- Shorter hitters playing first from the tee or fairway if longer hitters have to wait
- Hitting a tee shot if the person with the honour is delayed in being ready to play
- Hitting a shot before helping someone to look for a lost ball
- Putting out even if it means standing close to someone else's line
- Hitting a shot if a person who has just played from a greenside bunker is still farthest from the hole but is delayed due to raking the bunker
- When a player's ball has gone over the back of a green, any player closer to the hole, but chipping from the front of the green, should play while the other player is having to walk to their ball and assess their shot
- Marking scores upon immediate arrival at the next tee, except that the first player to tee off marks their card immediately after teeing off

BCLGA Events

BCLGA will pay for the engraving of all trophies, with the exception of the Duncan Trophy and the Inter-Club Shield for which engraving is organised and paid for by the winning club.

Winners organise their own engraving and submit the paid receipt to the BCLGA treasurer for reimbursement. Winners should arrange to return trophies presented on the day of competition to the competition secretaries either in advance of the competition the

following year, or on the day of the competition the following year. For trophies presented at the AGM, it is the responsibility of the winner to ensure that the trophy is returned to the competition secretaries either in advance of the AGM the following year or on the day of the AGM the following year.

Course closure in knock-out competitions

If a match in the Duncan Trophy, or other knock-out competition, begins and the course becomes closed by the Club Management for the rest of the day, then the result is taken from the state of the match(es) when play is abandoned. If the course has not been closed by the Club Management, then play in the Duncan Trophy must continue regardless of weather conditions.

For individual match play competitions, the players may agree to complete their round at another time – assuming they are not playing on the final day of the round.

An automatic seeded draw will be made of the 16 leading scratch scores; the reigning Champion will not be seeded.

In the event of the reigning Champion being unable to participate in the Tegner Trophy, in order for her to defend her title, the county president and the county captain, if they both agree, *may* permit her to play in the Championship providing the exceptional circumstances have been verified. If these exceptional conditions are used, then the top 15 players from the Tegner Trophy will go through to the knock out stages and the reigning champion will be placed at number 3 in the Championship draw.

All matches are played to a conclusion.

Time of starting

The player shall start at the time laid down by the Committee. However, if the player arrives at her starting point, ready to play, within five minutes after her starting time, the penalty for failing to start on time is loss of the first hole (Rule 5.3).

If the player arrives more than five minutes after her starting time, the penalty is disqualification.

Notice of withdrawal from the Championship

Should a player find she is unable to play in the Championship after the draw has been published, she must inform the Committee within half an hour of the draw being published in order that an alternative may be substituted. If a player withdraws after the half hour time limit, then a walkover is given.

Players should only enter this competition if they are also available to play in the Championship.

The Elizabeth Jacob's Trophy is awarded for the most improved gross score from the morning round of the Tegner Trophy. Six golf balls are also awarded to the winner.

Competition Abandoned/Cancelled

Should the Tegner Trophy be abandoned, if one full round has been played then the results of this will be used to determine who qualifies for the Championship. Should the

competition not be played – or if not all competitors have completed one round, then the 16 players with the lowest handicaps on the day of competition will go through to the Championship. If the current champion is exempted from qualifying, the 15 players with the lowest handicaps will go through together with the champion (see above).
